1. Replies are now in from the various companies and individuals contacted, and plans for the trip are progressing nicely. The latest (and we believe, firm) itinerary is attached, as is a list of the participants - all of whom have TOP SECRET clearances. As previously announced, the group will visit the various facilities in a body except in the afternoon of Wednesday, 16 November, when we will break up into four groups, each visiting a different company in the Los Angeles area.

not known. Those preferring to double up on accommodations in San Francisco or elsewhere may be able to do so upon arrival - organizing the various single or double preferences from this end being more than we wished to tackle. We are also still negotiating somewhat more aesthetic living at a government rate in San Diego at Shelter Bay - but will keep the per diem restrictions in mind in choosing between the two plans considered at this stop.

5. Please refer any questions to me or [redacted] [redacted] Also please notify us as soon as possible if there is any change in your plan to participate in this trip.
